### THE WAY FELLOWSHIP CHURCH

### About the Family

I recently served in Arizona as a minister of women's discipleship at The Way Fellowship Church. While there, God called me to pursue biblical counseling and move back to North Carolina to be with family. I love studying God's Word and seek to know Him deeper through His Word. There is no end of God, which means we can always go deeper with Him.

I love my family, my sister and brothers along with my nieces and my nephew. We grew up in a Christian household and were taught about Jesus as children in the home. I came to know Jesus at an early age and was baptized two years later. Since that time, God has been calling me to walk deeper with Him.

I also enjoy being outdoors in God's creation, sitting around campfires, reading, painting, gardening, kayaking, visiting farms and petting zoos. I love cats and dogs and almost any animal.

### About My Ministry

My prayer is that Christians will live victoriously in Jesus. My ministry is born from a desire that the church will live in light of Christ's accomplishment for us.

Romans 5:1-2 says, "Therefore, since we have been justified through faith, we have peace with God through our Lord Jesus Christ, through whom we have gained access by faith into this grace in which we now stand. And we boast in the hope of the glory of God."

Believers have unhindered access to God our Father through Jesus Christ! My ministry is to encourage and equip women to know God's Word through discipleship, mentoring, discipleship counseling, speaking and writing. We can live victoriously as we walk according to His Spirit, whether it's in going to work, changing diapers, or cooking and cleaning; it is not in our strength but in His in which we live.
