THE WAY FELLOWSHIP CHURCH

About the Family

Two years after receiving my B.A. in Art History, I went on a missions trip with my church that changed my life. During the trip, the Lord grew my heart for missions and ministry.

Upon returning, the Lord led me to go back to school. I recently received my M.A. in Intercultural Studies from Southeastern Baptist Theological Seminary.

While on a missions trip to Arizona with Southeastern, the Lord placed upon my heart a desire for evangelism, church planting, mentoring and discipling women. My desire is to equip women to go and share the gospel with others and disciple them in the faith.

About My Ministry

The Way Fellowship Church is an established church in Peoria that is in need of discipleship for women. I will be leading women's Bible studies, prayer groups and events. I will live as a missionary by having gospel conversations with the people with whom I come in contact through seeker Bible studies and ladies art nights.

My desire is to support pastors and church planters to fulfill the call of God on their lives and His mission in the world. My goal is to build relationships with existing churches and new church plants to advance the kingdom of God by providing much needed administrative helps to free up pastors and church planters to care for their congregations and communities.

PRAY.

Please pray I will love God with all my heart, mind, soul and strength, and my neighbor as myself.

Pray that the lost we encounter would have hearts and minds that are open, ready and willing to hear and respond in faith to the gospel of Jesus Christ.

Pray for the Lord to continue to send laborers into the harvest. Pray that churches would be strong and healthy disciple making churches. Pray for pastors and leaders to remain strong in the Lord.
