PRAY.

Please pray for spiritual and physical safety and wellness for our family. Please pray that our new church will reach people for Jesus and grow in His timing. Please pray that our children will come to know and love the Lord and strive to serve Him well.

PARTICIPATE

Commit to long-term support of our family through prayer.
Commit to long-term support of our family and ministry through monthly, one-time or occasional giving.
Come visit! We welcome missions teams to come participate in the work we're doing in Portland.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.

About the Family

Trevor and I have been married since 2008 and have four children. I have a degree in mass communications from the University of South Carolina and loved serving on staff as the communications director of a large church in South Carolina. Everything changed when God called us to Portland in 2018, and we now serve with Woodstock Community Church (WCC). I handle the marketing and communications needs for WCC, as well as whatever else is needed.

About My Church Plant

Woodstock Community Church began in October 2018 in southeast Portland, Oregon. Portland is a city rich in natural beauty, but it's also the most religiously-unaffiliated metro area in the United States with half of the people self-identifying as non-religious. We strive to serve our neighborhood well and live our lives in a way that glorifies Jesus.
