REVIVE CHAPEL

About the Family

My wife, Judy, and I have been married for 24 years. We have four children and two grandchildren. Except for a brief tour in the Army, I have lived in or near Garfield Heights all my life. I graduated from Liberty University with a Bachelor of Science in Religion and am working to finish my master's degree in pastoral counseling.

I see before me a people just like me, children of broken homes, some from the third generation of brokenness, in the city where I lived most of my life. I see people who need the hope that Jesus brought to my life, and I look forward to sharing with them the hope that is found in Him alone. I know and love the people there and have been ministering to them for years.

About My Church Plant

A changed community through changed lives is the vision of Revive Chapel. We understand that only God can change people. Our vision is to see our community, the community of northeast Ohio, the community of America and the communities of the world changed by the power of the gospel of Jesus Christ.

We have been instructed by Jesus through the Great Commandment and the Great Commission to "Love the Lord with all your heart, soul, strength and mind and love your neighbor as yourself" and to "Go into all the world and make disciples, teaching them all that I have shown you." We have chosen to summarize this as "Renew, Refresh, Reach the world."
