EXPEDITION CHURCH LIVINGSTON

About the Family

Wendi and I are excited to be doing Great Commission work in the “mountain west” regions of North America. We both grew up in Georgia. We met and married while attending Baptist Collegiate Ministry in Atlanta.

We are currently living in Livingston, Montana. We are thankful for the members of Oostanaula Church, who are partnering and sending us on this mission. We would also like to thank Sonoraville, Center Point Dalton, Sugar Valley and Pleasant Valley North Rome for their supporting gifts.

We are now empty nesters. We have two sons, Harrison in Orlando, Fla., and Hayden with his wife, Caitlin, in Ringgold, Ga.

About My Church Plant

We will work to build strong Christian disciples through prayer, small group activity and loving our neighbors as Christ taught. We will be working with lead church planter Darryl Brunson and his wife, Veronica, at Expedition Church.

We will be involved in the three areas of strengthening the new church with sound biblical teaching through small groups, impacting the needs of the community with mission team projects and developing new relationships so we can share the gospel of Jesus in the surrounding communities.
