THE CHURCH AT CHANNELSIDE

About the Family

Shea and I have been married for more than three years and love living in downtown Tampa. We also have one on the way, and we are pumped to start a family in the urban environment of Channelside! Honestly, we love this area and have a big heart for it. We would want to live here even if we weren't planting a church here.

About My Church Plant

We are passionate about reaching the booming population in this strategic area of downtown Tampa through church planting. We are planting a gospel-centered work to invite our neighbors into an identity transforming relationship with Jesus Christ!

PRAY.

Pray first and foremost for our personal spiritual walk. Pray we would grow closer to Jesus and grow in humility and dependence on God. Pray that we'd see confessions of faith in Jesus and gospel transformation in the heart of the city through our church planting efforts. Pray for favor with community leaders and that we would identify opportunities to serve our neighbors and tangibly show the love of Jesus!
