About My Church Plant

The vision of Su Presencia Cartersville is to reach the Hispanic community of North Georgia by establishing and growing a congregation. We will find ideas and practical ways to reach the lost and hurting people within our immediate community each day. We will reach the lost and develop their spiritual lives with Bible teaching, community worship and continued prayers. We will prepare and send young leaders to plant one church at a time.

We officially launched this new plant on January 29, 2023. God has blessed us with new believers, and we have baptized six. Many new faces have come to Cartersville, and the new immigrants need to know the gospel of Jesus Christ. With your prayers and your support, we will continue reaching out to the Hispanic community in the city and surrounding areas.
