RESILIENT HOPE FELLOWSHIP

About the Family

Kim and I are empty-nesters, who are committing the next stage of our kingdom-calling to starting a church in the greater Portland area.

About My Church Plant

Our mission is to develop disciples who go out and reproduce in others—immersing themselves in God and living in the way of Jesus.

We envision a community that is permeated with God-shalom as evidenced by caring for the marginalized, disadvantaged and poor. We envision a place of unity and robust proclamation of the power of the gospel to heal brokenness so there is a downward trend in negative societal statistics.

We envision a place where every follower of Christ in our community is seen as an ambassador of the gospel within their sphere of influence and where disciple making is a way of life that happens inside and outside the church.

We envision a place where reliance on the Holy Spirit and the power of the gospel—not programs, methods or titles—controls how and where God's kingdom expands.
