ONE COMMUNITY CHURCH

About the Family

Holly and I have been in ministry in the Bible Belt for more than 28 years. In most recent years, we have felt the urge to go where there is not a steeple on every corner and there are more opportunities to reach those who have never heard the good news of Jesus Christ! We have been serving in New York since August of 2022. We are amazed at the opportunities God provides on a daily basis to share the gospel in Hell's Kitchen and to encourage the work that believers are doing in the city.

About My Church Plant

We partner with One Community Church in Hell's Kitchen, Manhattan. We help this new church plant by equipping them to reach our community.□

We also partner with the North American Mission Board to encourage church planters and wives and engage young adults to commit to serving on mission in the city: www.go2years.net/. We currently have young adults living with us serving in the city as well.
