FELLOWSHIP OF GRACE—FIRST CITY

## About the Family

My wife, D, and I have lived in Kansas for more than 10 years. Last year we moved from Lansing, Kan., to Leavenworth to live in the community in which we feel called to serve.

I grew up outside Boston and spent 20 years in the Army before retiring here in Kansas. D grew up in Muskogee, Okla., and lived in several parts of the country while in the Navy and in her medical career.

I've had the blessing to serve as the missions pastor at Fellowship of Grace in Parkville, Mo., for the past four years. Both D and I have had the opportunity to serve on mission throughout the United States and overseas.

## About My Church Plant

I have felt called to plant in Leavenworth for several years and am excited as we get ready to open in spring 2021. Leavenworth is known as the First City of Kansas, incorporated in 1857. The city is primarily made up of lifelong residents and military members and their families assigned to Fort Leavenworth. Only about 7% of people here identify themselves as evangelical, and the neighborhood is largely underserved.

Despite this, there is a hunger for an answer to the challenges people face, and we are having increasing conversations where people are receptive to praying and learning about God. Our mission is to help every person fulfill God's dream for his or her life. We want to see the people of Leavenworth come to a personal, saving relationship with Jesus Christ and to grow in deeper relationship with Him.
