REDEEMING GRACE CHURCH

About the Family

Hi! We are the Ware family! We live in Maineville, Ohio (northern Cincinnati). I am married to Carrie, and we have three kids: Payton, Kylie and Carson. Carrie and I both grew up in the Cincinnati area and absolutely love everything this city has to offer our family.

Payton just graduated from Little Miami High School (LMHS) in 2021. Kylie is starting her freshman year at LMHS, and Carson is starting his eighth-grade year at Little Miami Junior High School.

I am bi-vocational, working from home as an account manager serving many Christian non-profit organizations.

Carrie is a human resource specialist for Target.

About My Church Plant

We are planting Redeeming Grace Church, in the northeast portion of the Cincinnati area. Of course, our passion is to see people come to Christ in our community.

There is no other reason to start a church than to reach people for Christ and equip them to grow in Christ-likeness.

We are passionate about and committed to establishing a full biblical counseling ministry as part of our church plant that can provide help to our church family, help to our community through counsel and evangelism, and train everyday church members and pastors in our community to biblically counsel someone as well. We pray that through this ministry we will make a huge impact on our community.

We are currently meeting in a temporary location and searching for the right meeting space in our target area.
