

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Please pray for boldness, opportunity, and wisdom as I step into a full-time staff role at the BCM. Pray that God opens the hearts of college students on OSU's campus, that our community groups would grow and reach students, and that student leaders within our ministry would be deeply discipled in their walks with the Lord. Pray that I would continuously rely on the Lord's strength and not my own. Finally, please pray for spiritual stamina, protection, and encouragement for our staff as we work to advance the gospel this upcoming school year.

PARTICIPATE

You can participate in this campus ministry by committing to regular prayer for our students and staff, sending notes of encouragement and partnering with me financially. Your financial support allows me to do what I do, directly partnering with the ministry in order to mentor student leaders, share the Gospel on campus and build Christ-centered community.

PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.

IMMANUEL BAPTIST CHURCH

About the Family

I'm originally from Sherman, Texas, but I moved here to Stillwater, where I attended Oklahoma State University (OSU). After graduating, I transitioned straight into serving on full-time staff at the Baptist Collegiate Ministry (BCM) here at OSU. God has given me a deep passion for building community, intentional relationships, and communication.

Outside of ministry, I love flying drones, baking pies, and recently frisbee golf (I'm very mediocre). I'm so excited about what God has in store for me in this next season of life!

About My Ministry

My ministry focuses on community groups, investing in student leaders through discipleship, and maintaining relationships with churches and alumni for our campus ministry. College is a pivotal time for young adults, and through the BCM, we have the unique opportunity to encourage them in their walk with Jesus, plug them into community, and create and grow discipleship relationships.

My daily mission will involve organizing community groups, mentoring student group leaders, and building and creating relationships to support our ministry's growth. Your financial and prayer partnership keeps me on the ground every day, fully dedicated to reaching students, building Christ-centered community, and advancing the gospel on Oklahoma State's campus. Thank you for partnering with me in this mission!
