COLLEGE PARK CHURCH

About the Family

My wife, Kasey, and I have the great privilege of teaching at Missouri Baptist University (MBU) in St. Louis. I am the Fine Arts Division Chair, Assistant Professor of Music, and Director of Choral Activities and Music Education. I also lead our worship department and help train worship leaders for service in the local church.

Kasey is Assistant Professor of Theatre and the Director of Theatre and Dance. She also oversees our drama outreach teams.

My background is in K-12 music education and bi-vocational music ministry, and Kasey has committed her life to telling stories of redemption, love and forgiveness through the art of theatre.

We have four children: Noah, Jobi, Katy and Lawson. We love working and living life with college students!

About My Church Plant

We planted College Park Church in August 2020. We saw a need for college students to get plugged into a local church. We exist to serve the MBU and surrounding communities by teaching and modeling faithful gathering, biblical literacy and multiplication through discipleship.

The Lord has been so gracious to sustain us and allow us to see students come to know Christ, be baptized, learn how to give and serve sacrificially, develop a love for God's Word and the study of it and to be sent. Walking alongside these students as they journey through faith in Christ and experience moments of great joy and great loss, graduations, internships, jobs, relationships and marriages is not only a blessing, but a privilege, as we keep pointing them to Jesus.
