

Jordan Floro

GOSPEL CITY FELLOWSHIP

About the Family

We are the Floros: Jordan (3/27), Melissa (9/4), Annie (10/12/12), and Judson (5/7/14). We moved to the neighborhood of Sunnyside in Queens, New York City in fall of 2020. As a family, we're a tight-knit group who loves spending time together exploring this incredible city.

We love going on walks to playgrounds as a family and taking our Boston Terrier, Hank, to the neighborhood dog park to play with other canines.

About My Church Plant

Melissa and I have served together in student ministry at various churches for about a decade. Through leading short-term mission trips to partner with church plants in New York City, the Lord clearly called us to move to Queens for the purpose of planting a new church.

In 2021, we are participating in a SEND Network church planting residency at New Hope Church in Jamaica, Queens. During this residency, we are training and building a team of individuals and families to launch a new church in the neighborhood of Sunnyside the following year.

- Find out how you can
- Pray.**
- Participate.**
- Provide.**

PRAY.

Pray for the planter's family as they work together in ministry.
Pray the church will be established and will faithfully work to plant in other communities, too.
Pray the Lord brings leaders who can help within the church.
Pray for stamina and longevity for ministry amidst attacks from the enemy.

PARTICIPATE

Build relationships with a church planter, team members and their families.
Send notes of encouragement.
Learn birthdays and anniversaries, so you can send gifts and cards.

PROVIDE

Learn the church plant, its strategy and context, so you can provide relevant resources.
Support a church planter financially.
