REDEEMER BAPTIST CHURCH

Find out how you can  
**Pray.**  
**Participate.**  
**Provide.**

## PRAY.

Pray that students at California Baptist University will be transformed by the gospel, whether by believing it for the first time or by continually being transformed into the image of Christ. Pray that God would raise up laborers as discipleship staff continually work to invest in students on this campus. Pray for God's continued provision in my life financially, spiritually and emotionally so the work of ministry here can continue.

## PARTICIPATE

I'm so thankful to partner with you as God works in the lives of college students in Southern California. Your partnership, both through prayer and giving, is unmistakably vital to my ministry at CBU. I'd love for you to be a monthly partner in a long-term sense, contributing to my needs as I seek to live out God's work in full-time college ministry.

## PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit [sendnetwork.com/PlanterFunding](http://sendnetwork.com/PlanterFunding) for NAMB's policy on providing for church plants.

## About the Family

I've been doing campus ministry at California Baptist University (CBU) for six years. I joined staff because this ministry deeply changed my life during college. I married my high-school sweetheart, Tyler, in 2019, and I'm currently pursuing a master's degree in educational leadership at Gateway Seminary.

It brings me such joy to walk through life with students and help them understand that God wants all people to know Him. I teach them how to live biblically and encourage them to pass that on to others, both on campus and in the church.

I believe college students are more reachable, teachable and send-able in this season of life than in any other. The college years are one of the last and perhaps easiest times for people to make major lifetime changes, and I love getting to be in students' lives to point them to the one true God.

## About My Ministry

I am on discipleship staff at CBU. As a ministry, we invite students to know who Jesus is, challenge them to live out their lives as biblical followers of God and encourage them to teach others to do the same. Through various avenues and opportunities, we desire for our ministry to be modeled after Jesus' ministry on earth, to love all, help many and train a few.

We want to be disciples who make disciples and pass on that same biblical pattern to students. Prayerfully our students will take what they learn in college and live it out through the rest of their lives. I hope they will believe that God's heart is for every nation, tribe and tongue to know His Son, Jesus Christ, and to worship Him alone. We long for students to participate in His Great Commission for the rest of their lives wherever God chooses to place them.
