PRAY.

We would be honored to have your prayers in this journey. Please pray that we would have open doors and meaningful relationships in the Las Cruces community. Pray we would have wisdom and discernment as we build a strong and healthy core team. Pray that we will experience spiritual growth and unity among those joining this vision. Pray that God will provide for the ministry's needs during these foundational years. Pray we will have protection, strength, and guidance for our family as we serve. We believe that everything God will do through Connection Church begins with prayer.

CONNECTION CHURCH LAS CRUCES

About the Family

My name is George Orozco, and I have been called to serve as a pastor, counselor, and church planter. For more than 20 years, God has allowed me to walk alongside people in different seasons of life, helping them experience transformation through His Word.

My wife and I are deeply committed to ministry together. We share a passion for building relationships, restoring families, and developing leaders who will impact others with the gospel. God has used our journey—both in ministry and in life—to shape our hearts for those searching for hope, direction, and connection.

As a family, we believe that ministry begins with presence, authenticity, and love. We are stepping out in faith to plant Connection Church in Las Cruces, trusting that God will use this new work to bring healing, growth, and purpose to many lives.

About My Church Plant

Connection Church is a new church plant in Las Cruces, New Mexico, focused on reaching a diverse and growing community, especially in the 88001 area. In a place where many people feel spiritually disconnected, our mission is to build a church centered on authentic relationships and intentional discipleship.

Our strategy is simple: Come, Grow, Go.

We are building this church relationally—through consistent presence, small gatherings, and personal connections—so that lives are transformed from the inside out. Our vision is not only to establish a healthy church, but to multiply disciples and plant future churches in the region and beyond.
