COMUNIDAD CRISTIANA WEST HOUSTON

About the Family

My wife and I were born in the city of Cali, Colombia. In our teens, we repented of our way of living and believed the gospel and were baptized in water by immersion. Years later, our two children were born, Daniel and Amy, who accompanied us in our missionary work, both in South America and the USA. Our children have served as missionaries for several years and married missionaries as well. Our son Daniel has two young daughters with his wife, Megan.

About My Church Plant

We began to serve God with CRU in the communist universities of South America. We saw hundreds of young people convert to Jesus, be baptized and be mobilized as disciples of new disciples within their own universities and workplaces. God has allowed us to plant small congregations at the universities of Del Valle, Santiago; Javeriana, Libre; San Buenaventura de Cali; at the National, District, Free, Javeriana Universities, in Bogota; Central, in Quito; Bolivariana and Carabobo, in Venezuela as well as preaching the gospel in universities in Cuba, El Salvador, Panama, Mexico and Costa Rica.

Likewise, we planted churches within public and private entities of Colombia, such as the Presidency of the Republic, the Congress of Colombia, INVIAS, the Ministry of Foreign Affairs and INCORA.
