GREATER MT. ZION CHURCH

About the Family

Hello, everyone. I am here to share to the world about Jesus. I am a proud father and husband. I love fellowshiping with people and learning new things. I believe in unity and growing together. I am a team player. My greatest vision is to make a great impact on my community by taking Jesus to the streets. I understand the importance of brotherhood and that we can't do it alone, that is why I strive to build relationships to unify the kingdom of God.

About My Church Plant

I am grateful for the ministry God has given me. What I love about it is that though it's small, it has been making a great impact in our community. Our ministry is urban, but we fellowship with all cultures. We have a small multicultural church. We learn from each other and find ways to implement it for building up the church and the community. Our focus is to build disciples and take Jesus to the people.
