**Pray.**  
**Participate.**  
**Provide.**

## PRAY.

Pray for boldness to share the gospel and open eyes and hearts among the people to whom my fellow brothers and sisters in Christ and I share the message of Christ.

Pray that through this ministry, more people would come to saving faith and live on mission.

Pray for stamina and longevity for ministry amidst attacks from the enemy.

## PARTICIPATE

You can participate in a few ways. Prayer is essential, and foremost to doing anything in ministry; without it, we have no hope. The second is financial support, and the third is constant support for me personally in my endeavor to share Christ with local college students.

## PROVIDE

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.

## About the Family

I live in Edmond, Oklahoma, and enjoy being outdoors and spending time with people. I watch all kinds of sports. I think sports are a great way to connect with people. I serve at my local church, Henderson Hills Baptist Church, and invest much of my time pouring into students at the University of Central Oklahoma.

## About My Ministry

For the past couple of years, the Lord has used my local college ministry to plant in me the desire to reach college students. I have a burden to see my generation come to know the saving grace that Christ offers all who will come to him. I desire to serve the Lord through ministry to the local church, whether that be as a NAMB missionary now or as a pastor in the future. More importantly, I desire to do the will of the Lord and faithfully serve wherever he might have me.
