About the Family

Angela and I met in Christian Challenge/Baptist Student Union in 1990. We were married in 1993. We have four children: Matt, Josh, Katherine and Grace. Angela and I both graduated from Western State College of Colorado (Western State Colorado University) in 1994. We have been with Christian Challenge in some form of leadership capacity since 1992.

About My Ministry

Our ministry is to the students of Western Colorado University. We are committed to challenging and training students at Western to know, love and glorify God, relying on Him to raise up qualified disciple makers who will spread the gospel of Jesus Christ from Western State to the ends of the earth. We accomplish this through relational discipleship. We love them, open our lives to them, share the truth with them, equip them and send them in Christ's power to change the world.

PROVIDE
Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
