## About the Family

I am unapologetically a follower of Jesus Christ; I always tell people that Jesus is my favorite subject to talk about. Second is my family; I am a family man who enjoys watching my family grow and flourish. When I talk about myself, my family will inevitably become the source of the conversation because I live to please God and ensure my family is good. The best part of me, and what makes me smile, is seeing them live without worry and enjoy what life has to offer. If they are smiling, if they are happy, you will see me smiling and happy.

My wife and I have three wonderful kids, two girls and a boy ages 16, 9 and 7. We have a few bonus kids who call us mom and dad, and we love it. We love to travel, try new things, enjoy new foods and talk to new people who God puts in our path.

## About My Church Plant

We are Worship Life Church and in pursuit of building the kingdom by offering a family community that exudes the love of Christ. Our vision to see a community become a family and enjoy life as God would intend it to be. We say to keep it simple "Here You're Family." We want you to feel just as comfortable being part of this community as you would walking into your parent's house, standing at the fridge door with it wide open and not really wanting to take anything out.

We want to accomplish that by some missionary points: we will meet you where you are, introduce you to Jesus and teach a life of worship. We have been called to serve our community, from our children and youth programs, volunteering with food and helping in the homeless areas, as well. Building community the Jesus way is the best way. Family is the way we welcome you.
