STORYLINE CHURCH

1) Pray for a large harvest here in St. Louis. We take Jesus at His Word that the harvest is abundant. As we go into the field, pray that God would save many in our city.

2) Pray that we might plant more churches in St. Louis. At Storyline, we multiply to multiply. We make disciples who make disciples who plant churches. Pray God would grace us with the people and resources to plant more churches in our city.

3) Pray that God would change our city. We long for God to bring unity to a city known for racial and social division. Pray that God would change the story of St. Louis through the impact of the gospel and His Church.

## About the Family

I serve as Storyline's primary teaching pastor and directional leader. My wife, Cherish, and I have been married 12 years and have four boys. We love spending time with others, cheering on the Cardinals and exploring St. Louis with our boys.

I am a graduate of the Southern Baptist Theological Seminary and served as a staff pastor for eight years at Sojourn Church in Louisville, Ky., before sensing a call to plant Storyline Church in St. Louis, Mo.

## About My Church Plant

The Lord called me to plant Storyline Church in South City St. Louis out of a burden for the city and the unchurched. While 2.7 million people live in the St. Louis metropolis, fewer than 18% of its residents would affiliate themselves with an evangelical church. More specifically, the neighborhoods of Storyline are severely lacking in churches to reach and serve its residents with the gospel. The neighborhoods of Storyline contain more than 55,000 people but few healthy, evangelical churches.

It is Storyline's mission to reach people with the gospel, disciple them into relationship with Jesus and multiply them throughout St. Louis and the world.
