LIVING HOPE CHURCH

About the Family

I fell in love with Jesus at the age of six and surrendered my life to him. It took me quite a while to learn how to live in the gospel, but God patiently grew me and used the church family to help guide me. While counseling at a Christian camp, God called me into pastoral ministry. Also in college, I met my wife Lacey and we couldn't be happier serving Christ together. We have three beautiful kids: Titus, Judah, and Mercy. Our family enjoys spending time at the beach, reading, ice cream, and connecting with people.

About My Church Plant

Over the last ten years, I have served three churches as a minister or pastor. God has fueled a desire within me to lead a new church plant in Bradenton, Florida, that will reach out to the lostness in the community, share the hope of Christ, and raise up healthy followers of Jesus Christ. I'm thrilled to be a Lead Planter endorsed by NAMB.

I have a passion for developing leaders and desire to be a part of church planting movements that bring hope to the lostness of Florida and beyond, which is why God led me to plant Living Hope Church.
