REDEMPTION CHURCH

About the Family

Rachel and I grew up on the east coast and met at a youth conference while in college. We tied the knot in December of 2016. Shortly after, we moved to Topeka to work in youth ministry and spent six years being mentored, loving our church family and growing the student ministry.

Rachel is a registered nurse and is heavily involved in the preparation of our church plant. Our daughter, Ellia, joined our family in October 2021 and brings us joy every day. We love ministry, family time, travel and sports!

About My Church Plant

Redemption Church is a new church plant in the Tampa area. We will be developing our launch team and relocating to Tampa in 2023. Our first service held January 28, 2024. We're passionate about evangelism, discipleship and community.
