### PRAY.

Pray for me as I manage work, ministry and relationships.  
Pray the ministry may be established, grow and then reproduce!  
Pray the Lord brings leaders alongside me who can also do the work.  
Pray for stamina and longevity for ministry amidst attacks from the enemy and personal struggles.  
Daily pray for opportunities the gospel will be shared! I would so love to hear you are doing that.

### PARTICIPATE

Send notes of encouragement and love! Words matter to me :)  
Pray specifically for what God is doing so we both can see answered prayers and that He might be glorified!  
Spread the word if you believe in this work, for it is not my doing, but God's!  
Support financially if you feel compelled, but I won't be asking for commitments quite yet.

Ultimately, listen to the Holy Spirit and follow God's call where you are. That brings me the most joy!

### PROVIDE

Learn the church plant, its strategy and context, so you can provide relevant resources.  
Support a church planter financially.

## About the Family

I grew up in a family where faith and God were really important. At the age of 7, I experienced God's love for the first time. Since then my only desire is that others might experience it, too (1 John 4:9-10).

This is my calling for life and in collegiate work—to share the awesome love of God.

To support this call, I have received a bachelor's degree in Christian studies from Canadian Baptist Theological Seminary and College in Alberta, Canada. I also have served as a pastor of youth and young adults, a student leader in college ministries and as an overseas missionary for trips to Israel and China.

In September 2023, I will be pursuing a Master of Biblical Leadership degree to become more equipped and effective at this work. And I am committed to being involved in and participating with my home church, Supperclub Church in Edmonton.

## About My Ministry

Currently I am working in a pastoral role at Evangel Chinese Baptist Church's English congregation as a coach for youth and young adults. I disciple, preach, love and lead in many ways through this role.

Alongside this, I am starting a new Christian club at an international college in the heart of downtown Edmonton, Norquest College. This is exciting as no Christian club has existed on this campus of 12,000+ students ever! Pray the gospel will spread.

Another awesome role I have recently begun is serving as a part-time associate chaplain at the University of Alberta. This is significant, and I have much to learn in this position.

My hope is that I can serve as a resource for our local Edmonton churches and that the youth and young adults here would be blessed with the good news and grace of Jesus that I will be part of bringing.
