Provide.

PRAY.

We are grateful for your prayers as God leads our family to Puerto Rico. Please pray for family unity, faithfulness in ministry, financial provision, and diligence and humility as we learn Spanish and build relationships. Pray especially for Rae'Lynn's transition—that God would give her peace, strength, belonging, meaningful friendships, and confidence. Pray that hearts in Puerto Rico would open to Jesus, the church would be established on a strong foundation, and God would raise up a faithful team to plant churches and reach communities. Pray for our protection, wisdom, strength, perseverance, and stamina amid spiritual opposition. Thank you for partnering with us.

PARTICIPATE

Build relationships with our church-planting team and us. Pray for us, send encouragement, remember birthdays and anniversaries, and give generously to church planting in Puerto Rico. Consider bringing your family to serve with us, encouraging your church to partner in this mission, and helping us share HIS story with others.

About the Family

Wendy and I have built a family rooted in love, faith, and togetherness. We are blessed with seven children—our daughters Sarah, Erika, Jami, and Rae'Lynn, and our sons Aaron, Ayden, and Hayden. Our family has continued to grow, including our son-in-law, Nathan, and three wonderful grandchildren—Scarlett, Damon, and Logan.

Our family is so much more than a collection of names. We share years of memories, laughter, challenges, celebrations, and countless moments that have shaped who we are. Wendy and I cherish the privilege of watching our children grow and seeing the next generation carry our family story forward. Our greatest legacy is the family God has entrusted to us—and the love that holds us together.

About My Ministry

My ministry experience is rooted in a love for God and a desire to serve His people. I believe ministry is more than a position—it is caring for people, encouraging their faith, and helping them discover God's purpose for their lives. Through church leadership, serving others, participating in baptisms, and meeting the practical needs of ministry, I've learned that some of the most meaningful ministry happens behind the scenes. I seek to lead with humility, compassion, integrity, and a servant's heart. I desire to bring this experience to Puerto Rico, serving the people and helping create environments where they feel welcomed, valued, and drawn closer to Christ.
