REDEEMER BAPTIST CHURCH (CANTON, MISSOURI)

About the Family

I grew up in North-East Missouri. My wife, Kimbre, and I were married in 2001. After graduating college, we moved across the state, we found a great church and I became a teacher and football coach.

Then God invited us on a journey that has led to church youth work, seminary, pastoring, living overseas, mission work and now to the excitement of seeing a new church in Canton, Missouri.

We have three children, Kimbrelyn, Emma and Nathanael, who are now in college, high school and junior high. Our mission has always been to take the opportunity that stands before us to serve the kingdom of God, wherever that leads. What an amazing journey!

About My Church Plant

Canton, Missouri, is a Mississippi River town with a long history. It is also the home of Culver-Stockton College. People come to Canton for education, jobs and opportunities. They also come to live in this close-knit, small-town community. People leave to return to their hometowns or to seek larger opportunities elsewhere.

Redeemer Baptist Church is a community of those who are Senders and Sent. We welcome everyone with the gospel, invite them to into a vibrant walk with Jesus and live out real community as we grow together in faithfulness to the Bible. We are all Senders who build each other up, since we don't know who God will move elsewhere, and we are all Sent to love others and serve the kingdom of God whenever and wherever we go, whether it is across the street or around the world.

PRAY.
First, pray that we will be bold in sharing the gospel and that more people will trust in Jesus as their Savior. Second, pray that others will embrace the concept of being Senders and Sent, so our church will develop and send individuals to serve the kingdom of God throughout the world. Third, pray for stamina and longevity for ministry amidst attacks from the enemy.
