OKLAHOMA STATE BAPTIST COLLEGIATE MINISTRY

About the Family

Hello! I am from Wylie, Texas, and graduated from Oklahoma State University (OSU) in May 2026, where I received a Bachelor of Science in Mathematics and a Bachelor of Science in Secondary Education. I accepted Jesus into my life when I was 8 years old, but I rededicated my life to the Lord during my senior year of high school, when I truly knew what it meant to live for the Lord.

When I got to Oklahoma State, I got involved in the Baptist Collegiate Ministry (BCM) and served on the freshman ministry team for 2.5 years. For most of my life, I thought I would go into teaching right out of college. It wasn't until the fall semester of my senior year at OSU that I felt the Lord calling me to become a campus missionary. I am so grateful I get the opportunity to pour back into the ministry that poured into me so well!

About My Ministry

The mission of OSU BCM is "to seek the welfare of the campus through evangelism, discipleship, and leadership development." We host weekly worship gatherings, Bible studies, events, and discipleship opportunities. The goal is to bring people to Christ, but also to continue walking with them and encourage them to use the gifts the Lord has given them to serve others and to make disciples.

The BCM consistently has around 500 students attending our large worship gatherings and 180 student leaders across our nine student leadership teams. As a campus missionary, my specific role will be to lead our events and hospitality team. I get to pour into our student leaders on those teams, oversee events for students to gather in biblical community, and disciple college girls, helping them walk through life and pursue the Lord.

PRAY.

Please pray that I may have boldness to share the gospel with students and that through OSU BCM, students would come to know Jesus and live on mission for the rest of their lives. Pray that students would find a biblical community that will encourage them in their walk with the Lord. Please pray for biblical wisdom as I and other campus missionaries lead students and build up student leaders.
