LIVING CHURCH

About the Family

I was born in Cincinnati, Ohio, and grew up in Taylor Mill, Kentucky. I graduated with Honors from Northern Kentucky University Summer of 2023 with a Bachelor's Degree in Organizational Leadership and minors in Biological Sciences and Spanish. During my time in college is where I was first introduced to the Baptist Campus Ministry where I served on the leadership team for two and a half years. I am a part-time Elementary Spanish Teacher at Calvary Christian School and was Valedictorian of CCS's graduating class of 2020.

In my free time, I love to go on hikes, be in nature, play ukulele, read books (especially if they are written by Elizabeth Elliot) and spend time with friends and family.

About My Ministry

I am blessed to work as a full-time Campus Missionary at the Baptist Campus Ministry at Northern Kentucky University where I help lead our International Student Ministry, Women's Ministry and prayer teams, and I act as the administrative assistant. I served here as a student leader for the past two and a half years of college, and I was delighted to answer God's call for me to serve here as a full-time staff member.

My weekly involvement looks like sharing the gospel with students (including international students that are a part of unreached people groups from around the world), leading evangelism training, facilitating prayer and fasting events, leading women's accountability groups, disciplining young women, leading Story Night groups and more!

I am so thankful to get to play a part in the revival that God is having on our campus!
