FIRST BAPTIST CHURCH OF LIVE OAK

About the Family

I am Venezuelan. I was a lawyer in Venezuela. My mother, my sister, and several relatives live here in the United States.

I am a graduate of Southeastern Baptist Theological Seminary with a Master of Arts in Christian Studies and, at this time I have been accepted to start in August at Southwestern Baptist Theological Seminary to pursue a Master of Divinity degree.

About My Church Plant

I am currently the director of Hispanic ministry for First Baptist Church Live Oak in Live Oak, Fla. I started in this position the first week of March 2021. Upon arriving at Live Oak, I learned that for many years before, the church had been praying for someone to come to teach Hispanics the Word of God.

Today the activities of the ministry give hope to Hispanics, Americans and all races when we share the gospel daily. We give away Bibles and gospel tracks. We have weekly Bible study. We praise the Lord on Sundays and have Sunday School. We have a monthly activity in the library to tell stories to children in Spanish. We minister to migrant workers. We have a relationship with the police department, fire department and other entities who serve the community praying for them constantly.
