

Find out how you can

**Pray.**

**Participate.**

**Provide.**

#### **PRAY.**

Please join us in praying for the neighborhood of Jamaica, Queens, N.Y. We truly believe God is up to something big in this neighborhood. Please pray for our family as we continue to adjust to a new location. Pray relationships will grow as we plant in the community.

#### **PARTICIPATE**

Support us through prayer, financial donations or by participating in a mission trip.

#### **PROVIDE**

Learn the ministry strategy and context, so you can provide relevant resources. Support a missionary financially.

### NEW SONG OF HOPE CHURCH

### About the Family

My wife, Kendal, and I are blessed with eight beautiful children—Lily, Bo, Lanie, Lucy, Sheppard, Tucker, Lyric and Phoenix—and are excited about them being introduced to so many diverse and beautiful cultures in New York. They are all invested and excited about what God has called us to as well!

Bo and Sheppard love playing baseball, while Lanie and Lucy have a huge passion for music/theatre. Tucker has a love for art. Lyric and Phoenix light up a room with their playful and excited spirit.

### About My Church Plant

God has called our family into full-time, church-planting ministry in Queens, N.Y. As His followers, Jesus calls us to reach the nations with the gospel, and we truly believe He brought the nations to us.

New York City is one of the most diverse cities in the world. Specifically, He has given us a heart and passion for the South Asian community. Along with planting a church within a Queens neighborhood, we are also looking to open a community center that would house English as a Second Language (ESL), citizenship, computer, etc., classes.
