RESTORE CHURCH ALBUQUERQUE

About the Family

I am from Albuquerque, N.M., and my wife, Julie, is from the Houston, Texas, area. We met while I was in seminary in Fort Worth. We were married in August of 2013.

Julie is a labor and delivery nurse at a hospital here in Albuquerque. Our three boys are Luca, Oliver and Miles. Luca is 6, Oliver is 4, and Miles was just born.

About My Church Plant

We are planting Restore Church in the International District in southeast Albuquerque. It is one of the most diverse and impoverished areas in all of the state of New Mexico.

To locals, the area is known as the “war zone” because of the history of crime and violence. We want to shine Jesus’ light into a very dark and seemingly hopeless area.

PRAY.

Pray for boldness to share the gospel and open hearts among the people to whom our pastor and members speak. Pray that through Restore, more people would come to saving faith and live on mission.

Pray for stamina and longevity for ministry amidst attacks from the enemy. Pray for more people to join our team to reach out to people in the International District and southeast Albuquerque.

Pray for generous financial partners, who will help sustain the work in a very poor area.
