## CHRISTIAN CHALLENGE OF CHICO STATE

### About the Family

My wife, Haley, and I got married on June 21. We met at Christian Challenge at Chico State in 2022. Our relationship with God grew and gained leadership and ministry experience through Challenge. Since then, we have grown to love doing ministry together.

Haley serves through a nonprofit organization as a case manager helping homeless families get housing. We both love pickleball, going to the zoo, going to baseball games and hanging out with friends.

### About My Ministry

Christian Challenge is a collegiate ministry that focuses on evangelism and discipleship of college students. Challenge is located at various colleges around America some with different names. Our goal at Chico State is to reach lost students in any way we can and through the multiplication process of discipleship grow more laborers for the harvest.
