About My Church Plant

One Love Community Church mission exists to "Inspire all people to love their neighbors as themselves." The church is scheduled to launch September 9, 2018. Weekly worship services will be held in the local elementary school, and we have already begun serving them through several projects. Our community is ethnically and economically diverse and going through gentrification. There is an absence of Bible-based churches in the area. We believe this provides a great opportunity to love like God, serve like Jesus and share the gospel to advance the kingdom of God in our community and throughout the city.
