For churches as they prepare to send out missionaries and chaplains to push back lostness in North America.
For receptive hearts among the people in communities where these missionaries and chaplains will serve.
For churches and individuals to partner with missionaries and chaplains and to give of their time and talents.
For the Father to send more workers into His harvest to join these missionaries.

PARTICIPATE

Connect as a Sending Church or a Supporting Church with a missionary's work.
Commit to long-term missions support with your missionary partner.
Be involved in supporting missionaries and their families.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.

About the Family

We are natives of Brevard, N.C., where we now reside. We have three married children and eight grandchildren who also live in North Carolina.

About My Ministry

We serve as self-funded mobilization missionaries with Baptists on Mission. As on-site coordinators for the North Carolina Baptist partnerships with Appalachian Coalfields Ministry, Pennsylvania and New England, we work to mobilize volunteers as well as strengthen and encourage pastors and church planters. We use our home in Brevard, as well as Baptist Resource Network in Harrisburg, Pa., as bases for ministry.

We speak in churches and at missions conferences to inform others of the work in Appalachia, Pennsylvania and New England. Other responsibilities include working with websites and coordinating the work of Christmas backpacks. We are encouragers and leaders in our small mountain church and community. It is our delight to lead people to know Christ and grow in Him.
