LIVING CHURCH

About the Family

Four years ago I made the decision to attend Northern Kentucky University (NKU). I had no idea at that point what a monumental impact college would have on my life. When I came into NKU as a freshman, I immediately got involved with the Baptist Campus Ministry (BCM) and saw my growth in the Lord skyrocket.

During my time at NKU and the BCM I was faced with many challenges that made my life and my walk with the Lord very difficult. But it was in that time the Lord opened my eyes to see that I wasn't alone. Not only was He with me, but others who had faced similar battles were as well.

Though my time in college was challenging, the Lord used it to place a call on my life to see other college students experience breakthrough the way I did. God doesn't need me to reach NKU, but He has chosen to use me, and I am forever grateful for that.

About My Ministry

"To know Jesus and to make Him known on our campus" is the heartbeat of the Baptist Campus Ministry at Northern Kentucky University. I will be partnering with the BCM at NKU to work toward their vision through several different avenues, all being funneled through discipleship.

First, I will have one-on-one and group discipleship meetings weekly where we share life with one another and learn from Scripture together.

Second, I will be helping those I disciple to develop a heart for the lost and learn with them how to reach those on our campus who are lost. I will also be planning outreach events for the BCM while running most of their social media pages to spread the word about BCM and ultimately the gospel throughout NKU.
