CENTER CHURCH

## About the Family

My name is Keaton Daniel, and I grew up in Oklahoma. I completed my undergraduate degree at Southeastern Oklahoma State University. During my time there, I met my wonderful wife, Jenna, and we were married in August of 2023.

Now we live in Charlottesville and do ministry full time together! We are expecting our first child in May 2024, so be in prayer over that!

## About My Church Plant

I am on college staff at Center Church in Charlottesville, Va. This role includes in large part discipleship and evangelism to the University of Virginia, which is about 10 minutes away from the church. The local church has been the way in which the Lord has grown me throughout my Christian walk.

Jenna and I love ministering, teaching and connecting college students to a local church so they can grow in the knowledge of the Lord.
