### PRAY.

Please pray that the churches in South Jersey and Pennsylvania will pour themselves out for the 14 million lost people within their reach. Pray that our churches will focus on intentional disciple making, missional engagement and leadership development. Pray that our churches will continue to discover the power of disaster relief as a ministry that meets urgent human needs and opens the door for gospel witness.

### PARTICIPATE

Connect as a Sending Church or a Supporting Church with our work. Commit to long-term missions support with us as a partner. Be involved in supporting missionaries and their families. Pray for us.

### PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit [sendnetwork.com/PlanterFunding](http://sendnetwork.com/PlanterFunding) for NAMB's policy on providing for church plants.

## About the Family

I was born in Goshen, Ind., grew up in Port Charlotte, Fla., went to college in Rome, Ga., and seminary in Louisville, Ky. I have two church music degrees that served me well when I was leading music and worship.

At a summer boys' camp, I came to a personal understanding about who Jesus is and what He has done for me. I trusted in Him to save me, and I surrendered my life to Him. Following Jesus has been a lifetime of blessing and adventure.

Kelli and I met in college and married in 1983. We have two adult children, both married with children of their own. They live in Calgary, Alberta, and Lancaster, Pa. They love Jesus. We are so proud of them and their families!

## About My Ministry

Our adventure in Pennsylvania/South Jersey began a few decades ago when we joined a church staff in Williamsport, Pa. We grew there and fell in love with the people and the place. Eventually, I became the pastor (not my plan).

Along the way, I became involved in disaster relief and discovered a passion for the work that my congregation recognized and encouraged. In 2015, the Baptist Convention of Pennsylvania/South Jersey asked me to raise my own support to serve as the disaster relief director.

At the same time, the North American Mission Board endorsed me as an evangelism catalyst to serve in the position that God was calling me to. So, we took the leap of faith, and we're loving it!
