PARK SLOPE COMMUNITY CHURCH

About the Family

While living in Knoxville, Tenn., and newly married, Kristi and I felt the Lord leading us to serve in church planting. After nine months of marriage, we found ourselves living and serving in New York City. Now, after serving here for six and one-half years God continues to blow us away. Two years ago we began the process of fostering. Our first placement was a 5-day-old baby from the hospital. A few months later her sister, one year older, came to live with us. Lord willing, in 2019 we'll be adopting these two little girls.

Though New York City looks a lot different from Knoxville, the needs are the same. People are still lost and in need of a Savior.

About My Church Plant

Currently we are serving in a replant situation in a historic and affluent neighborhood. I serve as the associate pastor of worship. My primary focus is leading the congregation in worship.

In addition to this, we've been blessed to serve multiple churches throughout the New York City metro area through the Metropolitan New York Baptist Association, Mission City Travel and, most recently, at Park Slope Community Church. We would love for you to consider partnering with us as we serve the church in New York City.

For churches as they prepare to send out missionaries and chaplains to push back lostness in North America.
For receptive hearts among the people in communities where these missionaries and chaplains will serve.
For churches and individuals to partner with missionaries and chaplains and to give of their time and talents.
For the Father to send more workers into His harvest to join these missionaries.
For our family as we foster in hopes of adopting.
