METROPOLITAN NEW YORK BAPTIST ASSOCIATION

About the Family

While living in Knoxville, Tenn., and newly married, Kristi and I felt the Lord leading us to serve in church planting. After nine months of marriage, we found ourselves living and serving in New York City. While serving in the city, we became foster parents and the Lord was gracious in allowing us to adopt our first placement (two girls). Today, they are 6 and 7 years old.

About My Church Plant

We serve multiple churches throughout the New York City (NYC) metro area through the Metropolitan New York Baptist Association and Mission City Travel. I serve through the local association in recruiting partnerships for NYC churches and assist in churches bringing groups to the city. We love being able to promote local church planting throughout the city. We would love for you to consider partnering with us as we serve the church in New York City.

PRAY.

Pray for churches as they prepare to send out missionaries and chaplains to push back lostness in North America. Pray there would be receptive hearts among the people in communities where missionaries and chaplains serve.

Pray churches and individuals will partner with missionaries and chaplains and give of their time and talents. Pray the Father will send more workers into His harvest to join missionaries.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
