COMPASS CHURCH

About the Family

After spending nearly 11 years doing college ministry and church planting work in New England, the Lord has led us closer to our Arkansan roots in Memphis, Tennessee. The Lord has given us a heart for the needy and compassion to serve the broken of the city.

Our four kids (Sinai, Deaton, Ruthie and Samiyah) are a mix of New England, Arkansan and now Memphian. We love college students, our church family, sports, music, spending time with friends and living for the glory of God among the nations.

About My Ministry

I am serving as a compassion ministry catalyst at the new Send Relief Ministry center in Memphis. My role is to support the establishment of the center and mobilize college students for compassion ministry in Memphis.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
