KING'S HILL CHURCH

About the Family

My family and I moved to New England in 2015 to serve among college students. I have been married to my wife, Darla, since 2010. We have two children, Anna (2012) and William (2014).

About My Church Plant

I serve at King's Hill Church as both our Life Group and collegiate director. King's Hill was planted in September 2018 and is focused on the Mission Hill neighborhood of Boston. Mission Hill is only three quarters of a square mile, but is surrounded by nine colleges and universities, as well as a medical area with three hospitals and multiple medical research centers.

In all, these schools and campuses enroll more than 60,000 college students. We want to see these students engaged with the gospel, come to a saving faith in Jesus, grow and be disciplined within the local church and challenged to think missionally and strategically about what God is calling them to next. My role in leading our collegiate team and equipping life group leaders is strategic in advancing the kingdom of God in our unique context within inner city Boston.

Find out how you can

Pray.

Participate.

Provide.

PRAY.

Pray God will work in the hearts of students in Mission Hill and that our church will cross paths with them and boldly share the gospel with them. Pray as lives are changed by the gospel, there would be some who stay to invest in the next generation of students.

Most important, pray that we individually and as a family would pursue Christ and be ever-growing in godliness.

PARTICIPATE

Support us financially through the give button at the top of the page. Living and ministering in inner city Boston is expensive. We would also love to have you come partner with us through short-term trips to prayerwalk, invest in our students and to love on our neighborhood and campuses. Also, share with others what God is doing here in Boston and how they too can be involved.

PROVIDE

Many missionaries build a team to join their ministry in prayer, participation, and provision. These friends, family and churches support missionaries beyond the tithes and offerings given within the church plant. Visit sendnetwork.com/PlanterFunding for NAMB's policy on providing for church plants.
