### THE CHURCH ON SEVEN HILLS

### About the Family

Christ found me when I was at a low point in college. Through a phone wallpaper of a classmate, I found myself joining the Christian Fellowship Club on campus. When I was in my early 20s, I succumbed to peer pressure and pursued earthly desires, trying to fill the gap that only God could occupy. This all changed the day I saw that wallpaper.

Since then, Christ has been at work in my life. I joined the Church on Seven Hills and found a loving and caring community in which I have grown and flourished to where I am today.

I was born in Brazil, and I'm an only child, born to the best mom anyone could ask for! I also have two amazing cats who are also part of the family, Sophia and Bolinha. In addition—who are important in my life—my friends are also like family to me, which means that my family is always growing.

### About My Ministry

I am serving as a college minister associate in Worcester, Mass. My vision is to be able to make Christ known throughout Worcester and New England. I became a Christian through college ministry. Since then I've been passionate about sharing the gospel with others, more specifically, college students.

My goal for this ministry is to help students see the love of God, follow Him, grow as disciples and be sent out into the world. In addition to reaching students, I am training them up to be able to serve the community through homeless ministry, mission trips and teaching biblical principles to children. Currently, I'm serving at Worcester State University with the hope of expanding to the other colleges located in Worcester.
