BREAD OF LIFE CHURCH VIRGINIA

About the Family

Lisa and I have been married for 30 years. We have two adult children, Jessica and Alex, who live with us due to health needs. In our life together, we have lived in the Deep South, Midwest, Arkansas, Middle East, North Africa and now the Washington, D.C., Metro area. We have lived in many places, including the Middle East and North Africa, but we also have lived in rural Missouri, New Orleans and now Springdale, Arkansas, which is my hometown. In God's timing, Lisa, Jessica and I will be moving this summer to Washington, D.C., in obedience to the Great Commission.

Lisa is a licensed professional counselor and a licensed marriage and family therapist.

We love to play games like Wingspan, and we enjoy traveling, except for Alex! Our favorite foods are Middle Eastern dishes.

About My Ministry

My ministry focuses on students and immigrants from nations where the gospel is restricted, banned or strongly discouraged and where Christians are persecuted, especially Arabic-speaking nations, since I am an Arabic speaker. Using a kiosk ministry at a large Virginia public university, I have weekly connections with people from a diverse variety of countries, although the primary visitors are able to speak or read Arabic.

I do Bible studies on campus, give away Scripture and tracts and pray with students. I also equip believers in Christ to witness, build gospel sharing relationships with people from countries where Christ is not known, and make disciples of Jesus who make disciples of Jesus. I also do refugee ministry to people from a war-torn country—my family and I lived in one many years ago—sharing the gospel and helping them.
