INSPIRATION CHURCH

About the Family

I was born in Ukraine (when it was USSR) in a family of third generation ministers in an evangelical Baptist church. The Lord saved me when I was 16 while I was reading the Book of Romans in my room. The Lord gave me the best partner in life I could imagine in my wife, Angela. Her love for the Lord and for people, especially for lost people, made our ministry much more effective.

Our family is blessed with three sons: Ievgen (26), Alex (23) and Timothy (21). Ievgen is married now, and we have a beautiful daughter-in-law, Lily. They live in Charlotte, N.C.

While in Charlotte, we were reaching Russian-speaking people for Christ. We heard the Lord's call to come to South Florida to start a disciple-making movement among Russian-speaking people. Our goal is to start churches for Russian and Ukrainian-speaking people in South Florida.

About My Church Plant

Right now, Angela and I minister as missionaries and church planters trying to start the Russian-speaking church from scratch in West Palm Beach. We have a small team of people, some of them new believers, some older, but together we are praying and going through training to be more effective in making disciples. During the week, we spend time on the mission field trying to find and connect with Russian speakers. On Sunday we meet as a Russian-speaking class for Bible study and fellowship.

I mentor several potential Russian-speaking church planters whom the Lord has provided so far in South Florida. We are praying every day, according to Luke 10:2, for the Lord to send more laborers to His harvest in South Florida. Please join us in this prayer.
