About the Family

Hello! I am Kristen, a college senior at Kennesaw State University, and I am ready to graduate! I have an identical twin sister named Rachael, love to bake, and enjoy the company of people and doggies ☐ (especially my mom's dog, Luke Skywalker)!

I am a West Michigan native, but have been residing in Georgia for the past nine years. I love learning about different cultures, languages, and their history. Also, I am very excited to see what the Lord will do in the place He has called me to!

About My Church Plant

I have been given a vision to reach, equip, and mobilize college students with the gospel throughout our area. I would love to see students grow in their faith and walk alongside other believers in authentic community. My heart is to help students experience what I've experienced through college ministry—a place where students are deeply loved, intentionally poured into, and encouraged to grow spiritually. I want to create spaces where students can encounter Christ's love in a real and personal way, build meaningful relationships, and be strengthened in their faith.

The Lord has placed a deep passion in me to serve these students and to reach even more of them across campuses in the Kennesaw, Marietta, and Atlanta areas. I am so excited to see how He will move and how students' lives will be transformed for His glory.
