H2O CHURCH - BUFFALO

About the Family

I'm married to a lovely wife, Lindsey. We both gave our lives to Jesus while we were in college, and our lives have been different ever since. We just moved to Buffalo, N.Y., to start a new campus church at the University at Buffalo (UB).

About My Church Plant

Lindsey and I believe college is the most strategic mission field in the world, and that's why we work with H2O Church. H2O is an on-campus church that seeks to introduce students to Jesus Christ by meeting them where they are. I lead and coach small group Bible studies (life groups), seek ways to evangelize to non-believers on UB's campus, preach on Sundays and make disciple-making disciples.

Our hearts are to go and find others who were just like us when we were in college and to meet them with the gospel of Jesus Christ in hopes that God might change their lives.
