CALVARY WEST LITTLETON

## About the Family

I hail from the great state of Oklahoma, and Kristen is an Oregonian from the beautiful Pacific Northwest. We met and fell in love in the mountains at Colorado Christian University (CCU). After graduating from CCU and marrying in 2009, we felt called into pastoral ministry.

We have lived, ministered and pastored in Littleton for the past nine years. Our family has fallen in love with this city and its people, and we know firsthand the enormous need this area of the country has for the gospel. Our greatest desire is to be used by God to establish a church that is passionate about the glory of Christ, faithful to the Word, committed to prayer and devoted in love for one another.

We have been married for more than 10 years and God has blessed us with three precious girls: Eliana, Piper and Lucy.

## About My Church Plant

Our passion and vision is to make Jesus non-ignorable in our city and to the ends of the earth! However, only a small minority of the 150,000 people who live in the West Littleton area have a relationship with Jesus, and gospel-centered churches are increasingly rare. Study after study reveals that the Denver metro area is one of the most post-Christian and unchurched area in the nation.

Just 10 years ago our Sending Church was a group of 30 people who committed to loving their neighborhood with the gospel. Today, we have grown into a vibrant community of several hundred believers who has planted more than 20 churches in the Denver area and beyond.

Our church plant desires to witness similar God-glorifying fruit by taking that same message of hope into a different part of Denver and transform it for generations to come.

### PRAY.

Pray we would faithfully make disciples and glorify God in all things for generations to come (Mt. 28:18-20). Ask God to make us bold and to open the hearts of the residents of Littleton that they will receive the gospel (Eph. 6:19-20). And pray for the Lord's wisdom and provision as our core team assembles (Col. 1:9-14).
