IMPRINT COMMUNITY CHURCH

About the Family

Lindsey and I married in 2003 and have five children ages 12 and younger: Madeline, Collin, Jude, Spencer and Rex. After 11 years of full-time ministry in Houston, Texas, our family moved to Baltimore in August 2015 to plant a brand new gospel-preaching church.

I was raised the son of strong Christian parents and grew up attending and serving in the church. I came to faith in Jesus at a young age, and knew fairly early in life that I wanted my life's work to be about the advancement of God's kingdom through the witness of the local church. When Lindsey and I met and began dating in college, we dreamed of spending our lives making a difference in the world and seeing the life-changing reality of the gospel at work.

Our ministry in northeast Baltimore County is an exciting, faith-fueled adventure every day, and we can't wait to see how God continues to change hearts and lives through the good news that we preach!

About My Church Plant

The church we are planting is called Imprint Community Church. The Perry Hall/Parkville area is home to about 90,000 people, comprised largely of families with children in the home. Throughout 2016 we built a launch team who committed to getting Imprint off the ground. After a year of home Bible studies and community outreach events, Imprint began holding Sunday worship services at a local elementary school March 19, 2017. Imprint's vision is to become a gospel-centered covenant community on mission together for Jesus Christ. We've seen several people place their faith in Jesus for the first time, and we're hard at work making disciples. We hope you'll join our team and help us make a mark for the kingdom of God in Baltimore County!
