BLUEPRINT COMMUNITY CHURCH

About the Family

I am a Florida native and love this amazing place and the people who call it home. My wife, Ayla, is Brazilian and has an incredible passion for missions and ministry.

We met during a mission trip in the Amazon where God began drawing us together. We are excited for all God has planned for us in planting this church and growing our own family. We want to see God glorified in every part of our lives.

About My Church Plant

Our aim and mission is to help others engage their world for the kingdom of God. It is truly all about Jesus and there has never been a better time to start new churches. We are creating missional communities in our city to be expressions of the church every day of the week.

Our Saturday worship services are a celebration of what God has been doing all week in the lives of church congregants. Discipleship is at the heart of our ministry. We want to see the church sent out to change the world.

We also connect with the community and others online for teaching, prayer and praises. I preach from the Word every week and seek to teach, train and empower the church to be salt and light to those around them every day of their lives. It is all about the kingdom of God.
